

**PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY will exhibit at the 2018 edition of "pacprocess Tehran" trade show**, that will be held October 11<sup>th</sup> - 14<sup>th</sup> 2018 October 2018 at Shahr-e-Aftab Complex Teheran, in Tehran (Iran).

"pacprocess Tehran" represents the new platform in Iran for all suppliers of packaging technology and related process industries along the complete value creation chain, member of "interpack alliance", which is the new label spanning all international events staged by Messe Düsseldorf under its Processing & Packaging portfolio.

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY is a network of industry-leading companies in processing and packaging which enables the market the expertise, effectiveness and exhaustiveness of a one-stop-shop service.

The Italian companies making up the network stand out for their expertise and innovative projects; they are present on various markets to provide all the clients with comprehensive technological solutions and optimize their business:

CAMA GROUP is a leading supplier of advanced technology secondary packaging systems, continuously investing in innovative solutions;

CLEVERTECH S.p.A., headquartered in the North of Italy, markets engineered front & end-of-line solutions. The company operates in the food & beverage, home care, pet food and personal care sectors;

MAKRO LABELLING S.r.l. is an Italian supplier of industrial labelling machines in beverage, food, home-personal care and pharmaceutical sectors;

RONCHI MARIO S.p.A. is specialized in finding the specific solutions for solving any requirement. Fillers, Cappers, Unscramblers, Orientors are Ronchi's principal products.

A complementary network shaped by companies representing the Italian excellence in processing and packaging, able to compete in the global market with all the international big players.

Processing & Packaging -The High-Tech Italian Way- gives clients the chance to benefit from top technological solutions by industry-leading companies and the possibility to refer to a unique partner for all manufacturing needs, with a comprehensive range of integrated solutions and unmatched made-in-Italy technology.
